

“Whatever It Is”
Written by Christopher Watkins

There is no limit to
What God can do
Time and time again
He always comes through

The impossible
The improbable
He can meet the need
Just plant the seed

God can
Whatever it is

Whatever it is
Whatever it is
Whatever it is
Whatever it is

God can work it out
God can work it out
God can work it out
God can work it out

Whatever it is (repeat)
