

“Come See A Man”  
Written & Composed by Brian Keith Denmon

Ad Lib in the Gospel worship style

**Solo (Verse 1):**

I was at the well one day

**Choir:**

I'll never forget it

**Solo:**

Searching for a better way

**Choir:**

And didn't even know it!

**Solo:**

Jesus was right there

Waiting on me

See, I didn't know

That my whole life

He could already see

But He didn't judge me

And He did not condemn me

Instead, He broke the chains

Gave me a second chance

And let me start all over again

Come see a man!

**Chorus**

Come see a man!

**Solo:**

A man at the meeting place

Come see a man!

**Chorus**

**Solo:**

Although I never seen His face

Come see a man!

**Chorus**

**Solo:**

He told me

Everything about me  
He said that he'd

**Chorus (4x)**

Heal  
Free  
He gave me victory

Come see a Man

**Verse 1**

**Solo:**

He's waiting on you too!

(Repeat)

Come see a man  
He's waiting on you too!

**Vamp**

Come see a man!
