

“Jesus Over Everything”  
Written by Jonathan Swearington

When I think of all the ways that God has made  
And how I should be dead and in a grave  
But look at me  
I’m standing here today  
I’m standing on the promises He made

I love Jesus  
He’s my refuge  
I love Jesus  
He’s my strength  
Where He leads me  
I will follow  
I love Jesus  
I love Him till the end

Jesus over everything  
Anything this world can bring  
I’ll take Him ‘cause He bled for me  
He died for me  
And He rose on the third day!
